

News Letter - Autumn

Dear Parents / Carers

It is now the 1st week in September and Autumn is just around the corner.

At Little Owls we have been very busy and we thought you would like to hear our latest news.

Reception Area

This area is intended to be packed with parents/carers information and each room will have a special notice board to record the general activities and photographs of the children at play.

Please see our daily routines for each room, and our new menu for Autumn, suggestions are always gratefully received.

Our "recommend a friend" scheme poster is on display, if you are able to introduce a new child to our setting, there is a finder's fee of £30.00, please look for details.

Preschool: Wise Owls - Fiona Sigrist

In the Wise Owls pre-school room Fiona has introduced a "letter of the week", so if you have any interesting items at home beginning with A, (that you wouldn't mind the children handling!), then please bring them in. We are designing the right hand side of our setting into a Nature Watch and sensory area, the gate has been moved in preparation for this. Please note the beautiful photographs next to the door in the Pre School and our special room layout. Look out for new ICT equipment during September/October.

We would like to invite all parents and carers into the setting to see how we are changing and developing our rooms. As we are OFTED registered, the new curriculum has been broken down into short term and long term activities planning, for you to be able to see.

Each child has now received an individual folder to track our progress and to mark how much fun the children will gain through structured play.

Little Owls Childcare Centre

Nursery: Tawny Owls / Baby room: Snowy Owls Laura Burfield and Alice McKinley

The sleeping area has been moved to a larger room within the setting, and we are very busy looking at designs and room layouts for our children under 2 years, to ensure maximum enjoyment and safety.

Snowy and Tawny Owls children have been helping by filling and emptying containers, and safely pushing and pulling objects. They have enjoyed dressing up, completing new jigsaws and of course, dancing to music and joining in the new nursery rhymes.

Coming soon:-

Look out for the Tawny Owls home corner and the Snowy Owls comfort corner
September/October.

Topic for the month "INTERESTING THINGS"

Please check out our web site, we will be updating it monthly with new photographs and details of events

And finally :-

May I thank all our existing parents/carers for their patience and loyalty during the closure of Pixie and Fairy Playdays.

Please be reassured, this will be the finest setting in the area. Our new curriculum links directly with the Wedmore First School to ensure a smooth first step into the reception class for your child. We are very proud to be able to offer you a place with Little Owls - the first "children's learning adventure centre" in Wedmore.
